NEW YORK BUS SERVICE PROPOSED

Mr. John Almeida, of the Almeida Bus Lines of New Bedford, met last week with Mattapoisett Selectmen. He is interested in establishing a new bus route from New York City to Cape Cod. Such a route would serve the town of Mattapoisett. An application has been filed with the Interstate Commerce Commission.

The Selectmen issued a resolution stating that such a service would serve the town, since there is no comparable direct service available. A representative of the town will appear as a witness before the Interstate Commerce Commission to testify as to the convenience and necessity of such a direct bus service.

ABSENTEE BALLOTS

Anyone requiring an absentee ballot to vote in the Mattapoisett town election on March 8 should apply at once to the Town Clerk.

"South Pacific" is considered the audience favorite of the many musical shows of recent years. It is filled with the corny American humor that always brings a laugh. Due to the national popularity of this show and the fact that previous Old Rochester shows have drawn capacity audiences, performances have been scheduled for three evenings this year.

THREE RECEIVE CERTIFICATES FOR MEDICAL SELF HELP INSTRUCTORS

Mr. Loren H. Mosher, Mattapoisett Civil Defense Director, announces that three residents of that community have been certified as instructors in Medical Self Help.

Miss Edith Peterson, R.N., Peases Point; Miss Alberta Silveira, Marion Road; and William MacLean, Tobey Lane, have recently received instructor certification from Mrs. Elizabeth Cottrell, Massachusetts Civil Defense Sector 2 Training Coordinator. Mr. MacLean is also the local Civil Defense Medical Service Administrator.

The Medical Self Help program has been developed by the U. S. Public Health Service with the eventual goal of having at least one person in every family qualified to administer aid during times of extreme emergency when the services of medical personnel are not available.

The course consists of six to eight two hour lectures and movies covering the following subjects: Radioactive Fallout and Shelter, Healthful Living in Emergencies, Artificial Respiration, Bleeding and Bandaging, Fractures and Splinting, Transportation of Injured, Burns, Shock, Nursing Care of the Sick and Injured, Infant and Child Care, and Emergency Childbirth. Upon graduation the student will receive both the Medical Self Help and Red Cross Standard First Aid Certificates. Those already holding the Red Cross Certificate have only to attend several of the classes to obtain the Medical Self Help Certificate.

How to make sure you get every drop of heating oil you pay for

NOW SHELL Heating Oil is metered into your storage tank as electricity is metered into your home.

Our trucks are equipped with highly accurate meters that measure the exact amount of oil we deliver to your tank.

The meter prints the amount of oil delivered on a receipt. You get the printed receipt as a permanent record for your files.

Metered deliveries are one of the many advantages we offer our heating oil customers. For complete details, call us today.
